BOOKING DETAILS

Youth groups (core users) can book the Mobile Youth Space (MYS) for activities organised for young people. Other not-for-profit community based organisations can also hire the MYS by applying to the steering committee for clearance. The MYS is strictly an alcohol and smoke free zone.

The MYS can be booked through Jobs South West Community Services who are the 'Managing Agents'. Terms and conditions apply and will be forwarded upon request. Bookings can be made up to 12 months in advance to coincide with up and coming special events.

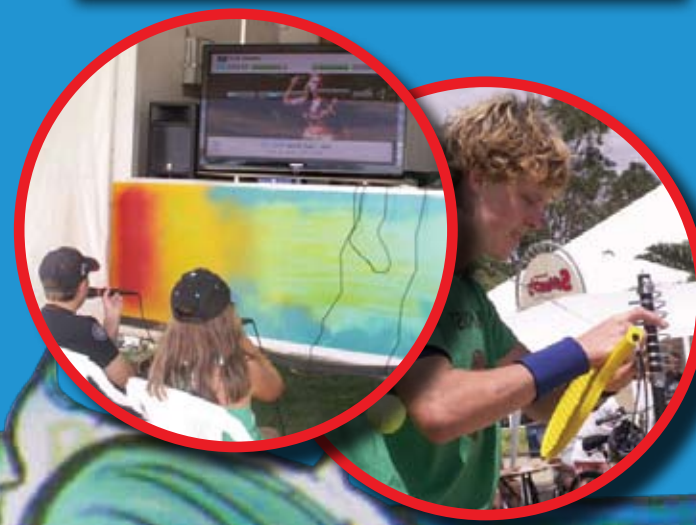

Bookings can be made via email, directly via the Jobs South West website, by phone or in person. All bookings must be confirmed and bond payments made two weeks in advance. A cancellation fee of \$40 will be charged if a request for a cancellation is not received two weeks in advance.

HIRE FEES AND BONDS (GST Inclusive)

Youth groups\$ 100 per day
Other not-for-profit groups\$ 200 per day
Bond \$ 300

The MYS must be returned in a clean and undamaged state or a cleaning fee of \$50 will apply. Any damage will be repaired at the expense of the group or individual hiring the van with the cost being recovered from the bond. The daily hire charge will be calculated from the time the MYS leaves the storage location till the time that it is returned and is ready for re-hire. This is negotiable at the discretion of the Management.
