CERTIFICATE II HORTICULTURE GRADUATION

On Friday 13th Nov we celebrated the graduation of 12 students from Certificate II in Horticulture with a lunch held in the garden of the Ganger's cottage at the Boyanup Museum. The garden has been a continual project of Jobs South West Horticulture groups in recent years. What started as a neglected yard has been transformed into a well maintained beautiful garden for the whole community to enjoy. One feature is the very productive vegetable garden which has supplied the group with many a meal.

Thanks was given to community groups who support the Horticulture course these being the Leschenault Community Nursery and the Boyanup Museum. Our talented and experienced trainers Bev Bristow and Ann Bentley and support workers Terri Lewin and Alex Kerr were also thanked.

Congratulations to the students on their achievements
