

CONFERENCES & OTHER EVENTS

Jobs South West Community Services hosts a number of capacity building conferences and professional development events throughout the year. The highlight of our events program is our annual 'Get Up Stand Up' Conference designed to build on and celebrate expertise in supporting resilience in young people. The Conference series attracts an eclectic and powerful local and national mix of high profile delegates and speakers willing to share their skills in mentoring young people with the entire south west community.

COMMUNITY SUPPORT PROGRAM

The Community Support Program assists Aboriginal community members and their families by providing links and referrals to a range of mainstream and Aboriginal services. These include welfare and social support, family violence, health (including drug and alcohol services), housing, child care and legal aid.

The Community Support Service offers support to Aboriginal people living in Bunbury, Brunswick and Harvey.

WORK EXPERIENCE

We provide work experience insurance cover free of charge to eligible businesses and clients. Ask a consultant for further information.

VIDEO- CONFERENCING

Video-conferencing facilities are available for community use. Call our friendly staff for more information.

BROADBAND FOR SENIORS KIOSKS

The service provides seniors with free access to broadband and helps them to gain confidence in using computer technology. It aims to build community participation and social inclusion amongst older Australians. The open access free kiosks enable seniors to learn how to use a computer and the internet and communicate with friends and family by email.

COMPUTER LAB AND TRAINING ROOMS

Free basic computer training and more advanced level courses are available from our state of the art premises in Busselton and Bunbury. Our computer lab and rooms are also available for hire at a very reasonable community rate.

TRAINING

As a Registered Training Organisation (RTO) we deliver nationally recognised qualifications in Business, Retail, Hospitality, Work Preparation, Leadership and Horticulture. We can also prepare students to enter accredited training or employment via our bridging courses in General Education for Adults (CGEA).

Jobs South West Community Services is renowned for award winning community, computing and corporate training programs which we customise to meet individual and organisational needs.

TRAINING COURSES AVAILABLE

- MYOB 1&2
- Microsoft Office and EXCEL training from beginner to advanced levels
- Senior First Aid
- Customer Service

ELEARNING

Elearning at Jobs South West Community Services is designed to equip the community with twenty first century study skills. Our clients develop the technical and computing capabilities essential for life long learning in a world where technology plays an ever increasing role in professional and personal success. Online qualifications are available through the South West Learning Centre.

TRAINEESHIPS

We deliver Traineeships throughout the south west region. We recognise that this combination of practical experience and structured on-the-job learning is a great way to start a career. Our 6 to 18 month Traineeship program provides excellent face to face and web based support for Trainees and their employers.

YOUTH PROGRAMS

Jobs South West Community Services champions and supports children and young people in the South West via our training, mentoring, recreational and career development programs.

We provide integrated seamless support to young people as they respond to the challenges of young adulthood and explore their career aspirations and options. Our commitment to supporting young people is evident in the scope and diversity of our programs which include;

- The Busselton /Margret River Youth Service providing one on one counseling, advocacy and family mediation for the 12 – 24 age group
- The Mobile Youth Space delivering, recreation and training opportunities and enhanced community connectedness across the entire south west region
- The Youth Outreach Program providing sustainable community mentoring in remote communities across the region
- Programs in schools delivering career guidance and job search skills
- Programs for school aged students not engaged in education, employment or training. Tailored accredited training programs are designed to engage young people in learning, they are delivered in an offsite environment by qualified trainers and experienced youth workers.

Our staff are highly experienced in working with young people and their support networks including; parents, guardians, schools, employers and specialist agencies.

WORKFORCE DEVELOPMENT CENTRE

We provide a free 'open door' career development service to the entire regional community.

Work Force Development Centre Staff are available in Bunbury, Busselton, Margaret River, Manjimup and Collie to help clients with one on one and internet based career exploration, job searching, employment information and work experience via our Job Search support service.

We can help with resumes, application letters, selection criteria advice, interview techniques and career counseling. Practically everything except actually going to a job interview for you!

We aim to help make the transition into work or training as straightforward as we can, giving clients the confidence to achieve their dreams!
